The first time you login you will need to accept all the terms and conditions. Once that is complete, you will have access to the portal.

On the far left, click on **Leads Summary**.

Locate the batch of leads you want to view and hover over them, an eye icon will appear on the far right, click this to view them.

Click the box to select them all then press "Download Documents." (Do not Print from here or you will not get the actual lead cards.)

Once they pop up, click the print icon in the right corner. (Make sure you are not printing on both sides.)
